INDEPENDENT AUDITORS' REPORT

Board of Directors
Tampa Bay Convention & Visitors Bureau, Inc.
DBA: Visit Tampa Bay and Affiliate

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate (non-profit organizations), which comprise the consolidated statements of financial position as of September 30, 2022 and 2021, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate as of September 30, 2022, and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note A16 to the consolidated financial statements, Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate adopted Accounting Standards Update (ASU) 2016-02: *Leases (Topic 842)*. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

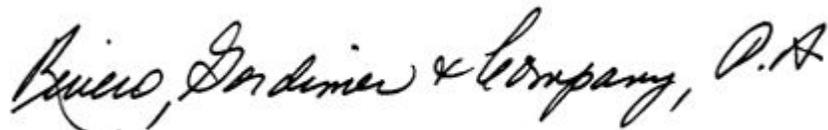

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statement of financial position and consolidating statement of activities and changes in net assets as of and for the year ended September 30, 2022 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 23, 2023 on our consideration of Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate's internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate's internal control over financial reporting and compliance.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Description of the Organization

Tampa Bay Convention & Visitors Bureau, Inc. dba: Visit Tampa Bay (Visit Tampa Bay) and Affiliate (collectively, the "Organization") includes the accounts of Visit Tampa Bay and its Affiliate, Tampa Hillsborough Film and Digital Media Commission, Inc. (Film Tampa Bay).

The Organization consists of two nonprofit corporations located in Tampa, Florida. The Organization represents approximately 800 businesses throughout Tampa Bay and promotes the area as a choice destination for conventions and visitors. Film Tampa Bay exists within Tampa Bay, to help boost the overall marketing and economic development impact for Tampa Bay.

The mission of Visit Tampa Bay is to create vibrant economic development for the Tampa community by collaboratively increasing visitation to Tampa Bay. Their mission is accomplished through tourism via meeting and conventions, sporting events, film production, and leisure travelers. Film Tampa Bay exists within Tampa Bay, to help boost the overall marketing and economic development impact for Tampa Bay.

The operations of the Organization can be broken down into the following departments, each having specific yet overlapping functions as detailed below:

Convention Sales and Services

This department coordinates with public officials such as police and fire as well as with private stakeholders such as hotel and venues to increase overnight hotel stays from meetings, conventions, and sporting events in Tampa Bay through targeted selling, creative marketing and exceptional and safe service that maximizes customer satisfaction and economic impact. These departments assist in all phases of selling, planning, and execution of meetings and events.

Marketing and Public Relations

These departments competitively promote the destination nationally and internationally and lead the effort of economic development through tourism. Collaborate with partners to offer a variety of options for things to do, places to eat and stay in the destination thereby increasing visitor spend. They sell and market the area as a tourism and meeting destination that targets both the consumer and the travel industry through advertising, digital media, promotions, direct sales, and public relations.

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT
ACCOUNTING POLICIES - Continued

Leisure Sales

This department promotes and markets the Visit Tampa Bay brand message to all segments of leisure travelers to increase overnight hotel stays within Hillsborough County for domestic and international visitors.

Unlock Tampa Bay Visitors Center

This department enhances experience and awareness to increase visitor volume, length of stay and visitor spending. It includes a gift shop of a curated selection of products from local artisans and merchants to sell products that showcase the rich culture, diversity, and broad spectrum of offerings in the destination.

Partnership

This department secures partnerships to generate private revenue for the Organization.

2. Principles of Consolidation

The consolidated financial statements include the accounts of Visit Tampa Bay and Film Tampa Bay. The Organizations have been consolidated due to the presence of common control and economic interest as required under generally accepted accounting principles in the United States of America (GAAP). All significant intercompany accounts and transactions have been eliminated in consolidation.

3. Basis of Accounting

The accompanying consolidated financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (GAAP). Under this guidance, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

Net Assets Without Donor Restriction – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2022 and 2021

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT
ACCOUNTING POLICIES - Continued

The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends, or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restriction.

4. Cash and Cash Equivalents

The Organization places its cash in high-credit, quality institutions. At times, such balances may be in excess of the U.S. Federal Deposit Insurance Corporation (FDIC) insurance limit.

5. Revenue and Service Contracts

Service contracts and the tourism marketing district revenues are classified as with and without donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions and corresponding receivable are recognized when an unconditional promise to give is received. An allowance for doubtful contributions and grants receivable is considered unnecessary, as management considers all accounts to be collectible.

6. Program Service Fees

Program service fees include partnership dues, partnership events, promotional partnerships, visitor information center, and PEO fee income. Program service fees and related receivables are reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing services to their program participants. Revenue is recognized as performance obligations are satisfied. Payments received in advance are deferred to the period in which the performance obligation is being met. The following is a description of the Organization's program service fees:

Partnership Dues: Partnership dues include annual partnerships. Annual partnership dues are renewed at the beginning of each fiscal year and are recognized in revenue evenly over the fiscal year. With partnership dues, partners receive website and guide listings, have access to sales leads, referrals, service requests, and industry research and reports, invitations to partner events and networking events. Partners are billed annually. Unearned partnership revenue is reflected as unearned revenue in the consolidated statement of financial position.

Partnership Events: Ticket sales and sponsorships for events are recognized over time during the duration of the event. Advance ticket sales are held in unearned revenue until the time the event is delivered.

Promotional Partnerships: Promotional partnerships include cooperative advertising, sponsorships, and tradeshow. Cooperative advertisement agreements are recognized over time as advertisement campaign is delivered. Sponsorships are recognized as performance obligations are met. Sponsors receive admission to various partnership events, advertising opportunities, and other benefits. Registrations for tradeshow are recognized over time during the duration of the tradeshow.

Unlock Tampa Bay Visitor's Center: Sales of merchandise are recognized at a point in time upon sale.

7. In-kind Contributions

In-kind donation items used by the Organization are recorded as contributions and expenses at their fair value at the date of donation. Contributed services are recorded as contributions and expenses at their fair value, to the extent they create or enhance nonfinancial assets or require specialized skills, are provided by individuals or organizations possessing these skills, and would typically need to be purchased if not provided by donations. Fair value of all in-kind contributions are based on current market rates of identical items or services. Contributed accommodations, meals and entertainment, and transportation are used for marketing program activities. The Organization did not monetize any contributed nonfinancial assets and did not have donor restrictions.

A substantial number of volunteers have donated significant amounts of their time and resources toward the objectives of the Organization; however, no amounts are recorded in the accompanying consolidated financial statements for non-specialist services.

8. Inventory

Inventory consists primarily of souvenirs and promotional goods. Inventory is stated at the lower of cost or net realizable value, determined by the weighted average method.

9. Furniture, Equipment, and Leasehold Improvements

Furniture and equipment are stated at cost. Depreciation and amortization are computed utilizing the straight-line method over the estimated useful lives (three to ten years) of the related assets. Routine maintenance and repairs are charged to expense as incurred, while costs of betterments and renewals are capitalized. It is the Organization's policy to capitalize expenditures for furniture, equipment and leasehold improvements having a unit cost in excess of \$5,000.

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT
ACCOUNTING POLICIES - Continued

As discussed in note F1, the Organization received a tenant allowance for certain leasehold improvements in connection with its office lease. In accordance with generally accepted accounting principles, the amount of this allowance has been recorded in leasehold improvements and as a credit to the right of use asset in the accompanying consolidated financial statements.

10. Pass Through Funding

The Organization receives funds from Hillsborough County to promote out-of-area advertising, local festivals and events, and visitor centers in the Tampa Bay area. The Organization does not control how these funds are spent and reimburses third parties for their costs incurred. As such, the Organization does not recognize any revenue or expense associated with these funds. This funding is included in cash in the accompanying consolidated financial statements.

11. Income Taxes

The two entities that comprise the Organization are incorporated as nonprofit organizations and are exempt from federal income taxes under Section 501(c)(6) of the Internal Revenue Code. The Organization is subject to taxation for unrelated business income. The Organization has income tax matters that may arise from ongoing operations from time to time, and management would make accruals for those matters where appropriate.

The Organization adopted the standard for accounting for uncertain tax positions and management believes that each entity has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements.

12. Professional Employer Organization (PEO) Fee Income

The Organization performs Professional Employer Organization (PEO) services for the Tampa Bay Sports Commission, Inc. (the Sports Commission), a Florida nonprofit corporation, along with other unrelated Florida nonprofit organizations. The Organization recognizes PEO fee income when earned.

13. Advertising

Advertising costs are charged to operations when the cost is incurred. Total advertising cost was \$9,825,641 and \$11,022,082 for the years ended September 30, 2022 and 2021, respectively.

14. Functional Allocation of Expenses

The costs of providing programs and supporting services activities have been summarized on a functional basis in the consolidated statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Salaries and related payroll expenses are allocated based on estimated time and effort of the Organization's personnel. Technology, depreciation, and other expenses are allocated based on management's estimate of usage applicable to the programs and supporting services benefited and indirectly allocated based on headcount. Tenancy is indirectly allocated based on headcount. Allocation of all other expenses is based on actual usage or management's estimate of usage applicable to the programs and supporting services benefited.

15. Use of Estimates

The preparation of the consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those differences could be material.

16. New Accounting Standards

Effective October 1, 2022, the Organization adopted Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)* and related subsequent amendments. The guidance in this ASU supersedes the leasing guidance in topic 840, leases. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either financing or operating, with classification affecting the pattern of expense recognition in the statements of activities. A modified retrospective transition approach is required for lessees for capital and operating leases at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. There was no cumulative effect of applying the new standard and accordingly there was no adjustment to the Organization's net assets upon adoption. The comparative information presented has not been restated and continues to be reported under the accounting standards in effect for those periods.

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

During fiscal year 2022, the Organization adopted ASU 2020-07, *Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The new guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash and other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of this standard did not have a significant impact on the financial statements, with the exception of increased disclosure.

NOTE B - LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the consolidated statements of financial position date, comprise the following:

	2022	2021
Cash and cash equivalents	\$ 4,686,197	\$ 5,466,560
Accounts receivable	391,456	344,651
Total financial assets	5,077,653	5,811,211
Less: pass through funding	(1,041,084)	(943,091)
Total financial assets available for general expenditures within one year	\$ 4,036,569	\$ 4,868,120

The Organization also has a \$1 million revolving line of credit it may draw upon in the case of unforeseen liquidity needs.

The governing board has established a private revenue operating reserve fund, totaling \$1.4 million, with the goal of mitigating unexpected expenses, losses of income, and to ensure the continuity of operations during an emergency.

Depreciation expense was \$566,027 and \$414,502 for the years ended September 30, 2022 and 2021, respectively.

NOTE D - EMPLOYEE BENEFIT PLAN

The Organization maintains a defined contribution 401(k) plan that provides benefits to all participating full-time employees who have reached 21 years of age and have completed one year of service. The Organization's contributions to the plan are equal to 100% of participant contributions to the plan up to 5% of their annual salary, plus a discretionary profit-sharing contribution not to exceed 5% of the annual salary of each participant. The Organization's contributions to the plan totaled approximately \$102,000 and \$96,000 for the years ended September 30, 2022 and 2021, respectively.

NOTE E - SERVICE CONTRACTS

The Organization received significant funding (approximately 89% and 93% during the years ended September 30, 2022 and 2021, respectively) from service contracts with Hillsborough County, Florida to promote Tampa and Hillsborough County as a site for conventions and a destination for visitors. The total revenue earned on these contracts totaled approximately \$19.4 million and \$16.3 million for the years ended September 30, 2022 and 2021, respectively. Under the Organization's primary contract, funds received from the County are based upon the total tourist development tax collected. The Organization received approximately \$17.3 million and \$9.5 million under this contract for the years ended September 30, 2022 and 2021, respectively. This contract has been renewed through fiscal year-end 2023.

NOTE F - COMMITMENTS AND CONTINGENCIES

1. Operating Leases

The Organization leases office space in Tampa, Florida under a noncancelable operating lease agreement that expires in 2028. In accordance with ASC 842, *Leases*, the Organization recorded a right of use operating asset and operating lease payable of \$6,494,554, which is the net present value of future minimum lease payments at the time the accounting standard was implemented using a discount rate of 0.91%, the published applicable federal rate at the time the accounting standard was implemented. In addition, under the terms of the office space lease, rental payments for a portion of 2018 were abated and the Organization received an allowance for the cost of tenant improvements to be applied against rent payments totaling approximately \$1,574,000, which reduced the right of use asset to \$4,920,967 at October 1, 2021.

The right of use operating lease asset is amortized using the straight-line method over the lease term. The right of use operating lease assets consists of the following as of September 30, 2022:

<u>Classification</u>	
Office space	\$ 4,920,967
Less: accumulated amortization	<u>(815,127)</u>
Building under operating lease, net	<u><u>\$ 4,105,840</u></u>

The future minimum lease payments, by year and in aggregate, under the noncancelable operating lease consist of the following:

<u>Year ending September 30,</u>	<u>Minimum Lease Payments</u>
2023	\$ 894,607
2024	1,007,526
2025	1,037,713

2. Finance Leases

The Organization leases various equipment under finance leases expiring at various times through fiscal year 2025. During 2022, the Organization adopted ASC 842, *Leases*. Prior to 2022, finance leases were capital leases. There were no other effects on finance leases due to implementation. The equipment and the related liability under the finance leases are recorded at the present value of the future payments due under the leases.

The following is a summary of the leased assets included in right of use finance lease asset at September 30:

<u>Classification</u>	2022	2021
Equipment	\$ 299,044	\$ 299,044
Less: accumulated amortization	(211,949)	(161,687)
Equipment under finance lease, net	\$ 87,095	\$ 137,357

The future minimum lease payments under the finance leases together with the present value of the net minimum lease payments consist of the following at September 30, 2022:

<u>Year ending September 30,</u>	Amount
2023	\$ 38,856
2024	34,591
2025	17,295
Total future minimum payments	90,742
Less interest	(2,348)
Capital lease payable	\$ 88,394

3. Contract Conditions

Various county contracts require the fulfillment of certain conditions as set forth in the originating contracts. Failure to fulfill the conditions could result in the return of funds related to such contracts. Although this is a possibility, management deems the contingency remote, due to both the nature of the contracts and current conditions. Additionally, the availability of funding under these contracts is subject to change with little or no advance notice.

TAMPA BAY CONVENTION & VISITORS BUREAU INC.
DBA: VISIT TAMPA BAY AND AFFILIATE

For the year ended September 30, 2022

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF CONSOLIDATED
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Tampa Bay Convention & Visitors Bureau, Inc.
DBA: Visit Tampa Bay and Affiliate

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Tampa Bay Convention & Visitors Bureau, Inc. DBA: Visit Tampa Bay and Affiliate (the "Organization"), which comprise the consolidated statement of financial position as of September 30, 2022, and the related consolidated statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated March 23, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected, and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

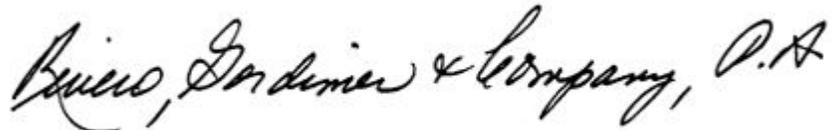

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
